### Packing Tips

- We send laundry out on Monday, to be returned Tuesday of the second week, so pack enough clothing for 10 days.
- Storage space is limited, so please don't bring much more than the recommended quantities. These have proved accurate over the years.
- Don't send 'top of the line' items to camp. Even with every item marked with your camper's name, some things do get lost.

### Equipment for Your Pony Farm Horse

If you'll be riding a Pony Farm horse at camp, please bring:

- 1 rub rag, such as an old dish towel
- 1 lead rope, inexpensive variety is fine
- 1 big sponge
- 1 bottle of fly spray

We provide grooming equipment and tack for you at no additional cost. However, if you have your own saddle or equipment from previous years, do bring them, clearly marked with your name.

If you are bringing your own horse to camp, please see the **Horse Packing List for Pony Farm** for the items you need to bring.

We discourage iPads, laptops, cell phones, Nooks, Kindles, and electronic devices at camp. We ENCOURAGE a different kind of connection — with each other, the horses and other animals, the outdoors and nature. **Enjoy camp — plug into PONY FARM!**
