BRANDON GARABRANT MEMORIAL EQUITATION CHALLENGE

This class was created in honor of fallen US Marine CPL Brandon Garabrant, who was killed in the line of duty in Afghanistan on June 20, 2014. He was 19 years old. Brandon was a member of the Touchstone Farm staff and an active part of his community. As Brandon was a Marine, a member of his local police explorers and a volunteer firefighter, the scholarship is to be awarded to students looking to pursue a career in civil service.

How it works: This class will be held at ALL FOUR Touchstone Farm horse shows this year. Ribbons will be awarded for 1-6 place at each show. **At the fall fuzzy show**, the rider who has accumulated the MOST points in the class for all four shows will win the perpetual trophy, saddle pad, and title of Champion. Trophy will be engraved with the winner's name and passed on to each year's winner. The class will be run in respective fence heights for different riders' divisions. For example, those who show in the 18" equitation/hunter divisions will compete over 18", those who compete in 2'3" will show over 2'3", etc. Riders will compete at the MAXIMUM fence height at which they compete. All riders, regardless of fence height, are scored numerically (scores to be announced) and the class is pinned as one. The top 25% of the class WILL be called back for a flat test, which could include riding without stirrups.
