Please make sure everything is labeled with your first and last name!! We do not recommend bringing high-end items to camp, as even labeled items can (& do) get lost.

We offer laundry services about halfway through a 2-week session but having enough clothes for 7-10 days is necessary as things get dirty/wet!

We do not allow iPads, laptops, cell phones, Nooks, Kindles, and electronic devices at camp. We encourage a different kind of connection — with each other, the horses and other animals, the outdoors and nature. **Enjoy camp — plug into PONY FARM!**
